Melrose, MA Douglas Dick
ddick@LDa-Architects.com
617-719-9801

The Melrose Energy Commission is pleased to announce the 5th Annual Melrose Energy Fair. The Fair is envisioned to provide information and inspiration regarding energy conservation, energy cost savings, sustainability and the potential reduction of climate change emissions for the citizens of Melrose and local communities.

We invite commercial vendors and non-profit environmental and community organizations to participate in the Energy Fair by staffing a booth and displaying relevant information about products, services and community action activities that support energy conservation and sustainability. Each participant will be provided a 30"x72" table and a power connection (if requested) and will be listed on the program for the day's activities.

Please provide the following information about your company/organization:

Company/Organization Name:			
Address:			
Contact Name:			
Phone Number:			
Email Address:			
Description of Products or Services:			
Do you need power (110V)?	<input type="checkbox"/> Yes	<input type="checkbox"/>	<input type="checkbox"/> No
Can you provide products/services for a raffle to benefit the Energy Fair? If so, please describe.			

The Melrose Energy Fair receives no funding from the City of Melrose or Commonwealth of Massachusetts and thus requests a voluntary donation of \$20 to help defray the cost of the day's event. Donation checks should be made out to "City of Melrose - MEC" and received the day of the event. Many thanks!

Please email completed applications to Douglas Dick (doug@LDa-Architects.com) or mail applications to the Melrose Energy Commission C/O Douglas Dick, 37 Nowell Road, Melrose, MA 02176 by November 2, 2009.
